Core Message

Zee Cheng Khor Moral Uplifting Society (ZCK), established in 2002, promotes world harmony through moral education and interfaith dialogue. As the Melbourne chapter of De Jiao, "Teaching of Virtues," we are guided by the **De Jiao Xin Dian**. Our slogan is: "**Rejoice in the success of others. For it prevents resentment and imparts hatred against others, leading to a more harmonious society,**" enhancing social cohesion and societal harmony in our diverse community.

Background

De Jiao began in China in 1939 to address the need for moral cultivation. It later expanded to countries like Malaysia, Thailand, and Singapore before ZCK was established in Melbourne in May 2002. We serve as a **centre for interfaith and interracial understanding**, promoting respect and collaboration among diverse communities.
